

Play with me.

today
stretch until
you touch someone
then offer them
this.

with a friend
go outside when the sun is high
defiantly sometime after 4 but no later than 5
you can hold your friend's hand
if not stand at most 4 feet from each other
look up at the sun for 15-30 seconds
look at each other for 15-30 seconds
if it happens to be cloudy
repeat tomorrow.
